

Premier of Dick Carruther's Julian Lennon Documentary

Tuesday, 17 December 2013 16:19 - Last Updated Tuesday, 17 December 2013 16:19

Looking forward to the premier of Dick Carruthers' documentary on [Julian Lennon](#) "Through The Picture Window" this evening. Dick Carruthers has worked with The Rolling Stones, Paul McCartney, The Who and Led Zeppelin. Should be an excellent evening!
Here's a pic of me and Julian in 1999.
