

## Matt Backer Guitar Nerding Interview

Thursday, 09 January 2014 22:48 -

---

Atoragon, with Guitar Nerding, an Italian guitar blog, recently interviewed Matt about his travels, studio sessions and of course his guitars and equipment. The entire interview can be read here: <http://atoragon.blogspot.com/search/label/INTERVIEWS>

Big thanks to Atoragon for highlighting Matt's career ....and his guitars....
