Well, not Beethoven and Mozart EXACTLY, but was able to view manuscripts of original works in their own hand during a recent visit to Prague's Lobkowitz Collection at Lobkowitz Castle. The Collection's original scores include Beethoven's 4th and 5th symphonies and Mozart's re-orchestration of Handel's *Messiah*.^Â

As Matt put it, "...in the true sense of the word, awesome."^Â

Matt snapped this pic from the Lobkowitz Castle Cafe...
